

Experts in Medical Equipment & Supplies

It's the Community Home Medical "difference."

It's so much more than excellence in providing home medical equipment and supplies ... it's the excellence of our very caring, compassionate, sensitive and committed relationships with our patients and their families. And, that's the Community Home Medical "difference!"

We provide a broad range of respiratory care services and home health care products, including ...

- Oxygen & Respiratory Care Program
- Sleep Diagnostic Products
- Sports Medicine
- Wheelchairs, Walkers and Canes
- Rehabilitation Equipment
- Hospital Beds
- Lift chairs/Electric Scooters
- Diabetic and Home Care Supplies
