

Your Area Agency on Aging ...
**We'll answer your
questions about
eldercare. Free.**

Ohio's PASSPORT program — your entryway to long-term care planning. We can provide information about and direction to the services available in our community. Our professional consultants perform free, in-home evaluations of your long-term care options and help you assess your needs and available services, discuss eligibility requirements, determine financial resources

required, and help you create a care plan — whether it's PASSPORT Home Care services or a variety of other choices.

Our PASSPORT program helps seniors find care options available in Mahoning, Trumbull, Ashtabula, and Columbiana counties. And our consultation service is FREE!

*Your Area Agency
on Aging
cares about you
and your
elderly parents.*
